Representative Ralph E. Massullo, Jr.
525 North Dacie Point
Lecanto, FL 34461

Dear Representative Massullo:

The Federation of Manufactured Home Owners of Florida, Inc., (FMO), endorses your candidacy and we look forward to your re-election to the Florida House of Representatives. Please be assured that FMO will do everything within our authority to provide support from our members, your constituents, to you and for your initiatives. We know that you will be working hard over the next several weeks, and your election will be a tribute to the good work and representation you have been providing to your constituents during your time in the Florida House.

As you know, hundreds of thousands of homeowners enjoy the affordable manufactured/mobile home lifestyle in Florida. Many of these homeowners face challenges, as lot rents continue to rise and park ownership has changed from a local entrepreneur to major corporations which may be headquartered outside the state of Florida. We believe you have an understanding about some of the issues surrounding this very unique group of constituents and you have continued to assist us.

I hope that you will take the opportunity to visit a manufactured home park community during this time to observe firsthand our choice for Florida living. FMO Legislative Counsel, Nancy Black Stewart, will be in touch with you in the coming months to discuss the FMO legislative agenda for the 2021 Session. In the meantime, thank you for your friendship and public service and we look forward to working with you again.

Respectfully,

Jesse James
Chair, FMO Political Advocacy
Committee

Respectfully,

Jerry H. Durham
President, Federation of Manufactured
Home Owners of Florida, Inc.
